

# SOLAR SCHOOL

## KEEN TO POWER YOUR SCHOOL WITH SUNSHINE?

Join our Solar My School program!

This free Council initiative is helping local schools in the Eastern Suburbs navigate a path to solar success, from start to finish.

### How we can help

- ✓ A free expert solar assessment to help choose the best size and location for solar panels
- ✓ Estimates on system cost, savings and financial incentives
- ✓ Advice on funding and payment options
- ✓ Finding and selecting a quality system from a trusted installer
- ✓ Teaching materials linked to the curriculum
- ✓ Promoting your school's solar project widely

### Benefits for schools

- Free Council support and advice from go to woe
- Access to cheaper green energy
- Reducing school's carbon footprint
- Demonstrating environmental leadership in the community
- Educational resources for students

### Register today
