

# Our Earth. Our Home.

Look through the house for working examples of how we can all live more sustainably through:

-  **Energy Saving**
-  **Sustainable Gardening**
-  **Recycling and Reducing Waste**
-  **Growing Food**
-  **Water Saving**
-  **Green Transport**
-  **Water Collection and Reuse**

Take the footprint trail through Barrett House and see how you can reduce your ecological footprint. And when you see this:

discover how simple some of these steps can be.

**Barrett House**

Our little house of sustainability

Barrett House is the result of a collaboration between Randwick, Waverley and Woollahra Councils to work together on activities aimed at reducing the community-wide ecological footprint of residents in Sydney's Eastern suburbs. This program has been assisted by the New South Wales Government through its Environmental Trust.
